

CONTINGENCY PLAN FOR SATURDAY, NOVEMBER 1ST!

Since this is the last opportunity to play games this season and the weather is calling for rain, we are implementing a back-up plan just in case! *This will go into effect **ONLY** if Middle Creek fields get closed for Saturday.*

If you call the Cary Hotline (919-319-4502) and Middle Creek fields are closed for Saturday, your game will be played at the following WRAL field instead. We were not able to accommodate all games on Saturday, so a few games were moved to Sunday. If you already play on Turf, your game may also be affected by this plan, so please pay close attention!
