MISSION

Triangle Soccer Development (TSD) was established in 2007 as a 501C (3) nonprofit organization dedicated to the promotion and growth of soccer and to the education and development of soccer enthusiasts of all ages.

Open space sports in the Triangle area are feeling the crisis of limited playing fields. The adult soccer community has been especially impacted. TSD's mission is to improve the situation by planning, funding and building a new athletic complex.

Please join us in our passion for the game and help us make our dream a reality!

Proceeds from this event will assist us in developing a new soccer complex to host games, practices, tournaments and educational clinics for the soccer community in the Triangle. The Triangle Adult Soccer League (TASL) will be our first tenant at the new complex.
