

## TASL Policy on Rescheduling Games

### **Weather or Non-Soccer Related Reschedules:**

All game or field cancellations by the league or field administrator will be rescheduled on play dates determined by the TASL office.

### **Team Reschedule Request:**

If a team requests to reschedule a game, the following procedures and fees will apply. The Team Captain must notify the TASL office in writing and present a valid reason for the request to reschedule the game. The request must be approved by the TASL office. The options available for reschedule requests will primarily be on non-play dates (i.e. Friday or Sunday). There will be no credits provided for field use fees for either team in the event that a reschedule date cannot be agreed upon.

1. **More Than Ten Days Notice:** The Team Captain must notify the TASL office at least 10 days prior to the proposed cancellation and must submit a payment of \$25 for consideration of the reschedule. Each team will be provided with two new date options for the reschedule. Both teams must agree on the new date for the reschedule. If a date is not agreed upon, the game will be recorded as a 3-0 forfeit for the team that was not able to make the originally scheduled game.
2. **Less than Ten Days Notice:** The game will not be rescheduled. The score will record as a 3-0 loss for the team that was not able to make the originally scheduled game. An administrative fee of \$25 will be assessed to the team unable to play. The Performance Bond will not be used except in the event that there is less than two days notice of the cancellation.
3. **Less than 48 Hours Notice:** The game will not be rescheduled. The score will record as a 3-0 loss for the team that was not able to make the originally scheduled game. The Performance Bond **will** be used.
4. **Forfeits at the Field:** If a team fails to play a scheduled game, it will be considered a forfeit. The game will not be rescheduled and the score will be recorded as a 3-0 forfeit for the team that was not able to make the originally scheduled game. The Performance Bond **will** be used.
5. No reschedule requests will be considered in the last three weeks of league play.
