

## TASL FALL AND SPRING SEASON REFEREE PAY POLICY

We recommend that the Team Captain keep a copy of this policy with the team at the field.

Each TASL team is required to pay the referee crew, in cash, prior to the start of the game. The Team Captain, or designated team representative, must give the referee fee payment to the Center Referee.

**Note to Team Captains:** Prior to the start of the game, you are required to pay the applicable fee amount listed in this policy. Fee amounts vary based on the number of referees in the referee crew.

If there is a disagreement regarding the fee amount due, you must pay the amount listed in this policy. After the game, notify the TASL office of the disagreement and TASL resolve the discrepancy.

### Referee crew fees

A typical referee crew consists of three referees: one (1) Center Referee and two (2) Assistant Referees. Referee fees for a three-person crew are as follows:

League	Fee amount	Fee distribution
Men's & Women's leagues	\$120 per game (\$60 per team)	\$50 (Center Referee); \$35 (each Assistant Referee)
Coed league	\$116 per game (\$58 per team)	\$46 (Center Referee); \$35 (each Assistant Referee)

### Partial referee crew fees

In the event that one or more Assistant Referees are unavailable to officiate, the Center Referee can select Club Linesmen to assist with officiating the game. Teams are required only to pay referee fees for referees that are present and which officiate the game. If only two referees are available to officiate, the Team Captain must pay the:

- Center Referee fee
- Assistant Referee fee for one (1) Assistant Referee or Club Linesman

If a referee arrives after the start of the game, the fee for that referee is adjusted according to the following rules:

<b>Arrival time</b>	<b>Adjusted fee terms</b>	<b>Fee amount</b>
During the first quarter	Full Assistant Referee fee amount is paid	\$35
During the second quarter	Three-fourths (.75) of the Assistant Referee fee	\$26.25
At half-time	One-half (.50) of the Assistant Referee fee	\$17.50
After half-time or later	No fee is paid	\$0

### **Referee pay policy for rained out games**

If a game is cancelled due to field or weather conditions immediately prior to the start of the game or during the first half of play, the Team Captains must still pay the applicable referee crew fees. TASL will reimburse teams by check for referee fees paid for games cancelled at the field.

If a game is cancelled due to field or weather conditions during the second half of play, the game and score are considered final. TASL will not reimburse teams for referee fees paid for games cancelled during the second half of play.

**Note:** Teams are not responsible for paying referee fees for game cancellations posted on the TASL Weather Hotline.

### **Referee pay policy for forfeited games**

If a game is cancelled due to a TASL team forfeit, the referee crew will be paid using the forfeiting team's Performance Bond.

In the case of a forfeited game, the Center Referee should send a Match Report identifying the forfeited game and team name to the TASL office.
